RE: 20-cv-20342-RBK AND 08-cr-0757-KM
NOTICE OF APPEAL(S)

I am the movant (herein Appellant) (pro-se) in BOTH the above mentioned docket numbers, previously before the U.S. District Court for a [sec., 3582] motion(s) and the Petition for [Habeas Corpus] pursuant to: "sec., 1651," sec., 2241," and "Audita Querela". On or about the FIRST week of September 2021, appellant received a letter from the Third Circuit Court of Appeals date August 17, 2021, where the Appellate Court did instruct the U.S. District Court to file a NOTICE OF APPEAL on behalf of the appellant under docket number(s) 08-cr-0757-KM. Appellant has NOT received any notification(s) that an Appeal has been file to-date.

Recently under docket number 08-cr-0757-KM, appellant moved to Appeal the July 28, 2021, denial of the [sec., 3582] motion(s). Currently and/or Simultaneously, appellant moves to consolidate and/or cross appeal(s) the U.S. District Court's decision rendered on September 3, 2021, to dismiss the Petition for "Habeas Corpus" under docket number 20-cv-20342-RBK where the U.S. District Court failed to properly exercise jurisdiction at all turns, forcing the Petitioner to remain unconstitutionally/unlawfully imprisoned due to the unlawfully/illegally procured judgment *inter alia*.

Petitioner seeks consolidation and/or cross appeal(s) so that the Third Circuit, with equity, may allocate it's resources more efficiently to satisfy Fundamental Fairness and Due Process principles, specifically in the Petitioner's moving pleadings as a indigent (pro-se) litigant.

Date: September 14, 2021.

Respectfully submitted,

By: Tommie H. Telfair
